

SPICY

Born in Indonesia, Spicy began his professional career in 1999 on the decks of the Asian Bar in Paris, located on the 'Champs Elysees'. As a Resident DJ of a renowned institution, Spicy will be offered to play in the best clubs in the capital but also for parties throughout France, and events such as the 'Cannes Film Festival'.

In 2001, Spicy becomes the official DJ of dancehall singer 'Benjam' with who he will make a national tour that will even take him to perform at the Reunion Island.

In 2008, after 15 years mixing in famous Parisian clubs, aged of 30, Spicy settled in Morocco and became the resident DJ of Loftclub in Tangier, (club reference in North Africa) where he played alongside many international House and Hip-Hop DJs (Dario Nunez, Joachim Garraud, Arno Cost, Norman Doray, Freestyle Steve - Timbaland DJ, Whoo Kid - 50 Cent DJ ...) perfecting his style, mixing music fed of various influences which earned him to be considered as the first Hip-House DJ in Morocco.

2010 is the year that will see Spicy taking an international dimension becoming the resident DJ of one of the 'World Finest Clubs' (elite of clubs) : The Suite in Marrakech.

Then will follow gigs, playing with renowned producers: Copyright, Kurd Maverick, Bob Sinclar, The Martinez Brothers ... but also in some countries like Indonesia (Jakarta, Bali), England (London) and Switzerland (Geneva) . After the closing of the Suite Club, Spicy becomes the resident DJ of numerous trendy spots in Marrakech: XS Club, Palais des Congrès, Myah Bay, Le Gotha, SO Club from Sofitel and also in Sofitel & Skybar (Carré) Casablanca, and is now a very sought DJ for every premium private parties.

Determined to print his name in the clubbing world, Spicy now dedicates himself to production, being one of the most prolific producer on AV8 Records Label, and producing electro club & mashups hits.

Real "Club" DJ, Spicy is nevertheless a true house DJ, gaining recognition with his podcast 'Deep Attitude'.
